Please read these instructions before your appointment

1. If you have a Bank Verification Number (BVN), please bring it with you for your NIN registration. A NIN may already be associated with your BVN. If so, the NIN is only reserved and not validated. It only becomes valid after you are registered and have your biometrics captured in the NIMC database

<u>Note:</u> If you choose not to share your BVN or you have forgotten it, and a NIN has been reserved for your BVN, an error will result, and you will need to register again at your cost

- 2. If your Nigerian international passport has expired, you will need to provide a secondary, valid, and current government-issued proof of identity, with details matching the expired passport (e.g., a driver's license)
- 3. Enrolling children under 16 years old, a parent or guardian's NIN is required. Please bring a copy of the parent or guardian's ID (passport)
- 4. If you have done a change of name, please bring documents showing your change of name (e.g., newspaper publication, attestation)
- 5. Fill the form on the second page and bring it with you for your NIN registration
- 6. Your NIN will be issued within one month of registering.
